

Waiver

By submitting and signing the application, I agree that I have read and understand the Membership Information found on the Trooper Archery website, and I will abide by the *Trooper Safety Code* and have access to the club bylaws. I further agree to abide by these rules and to make certain any guests I bring on club premises pay their fees and also abide by these rules. I also understand that Trooper operates on the honor system for shooting fees, concessions, and the use of the facilities, and I will protect the clubs assets. I understand that noncompliance of these rules is grounds for loss of my club membership. I understand that my name, address, email, and telephone numbers may be published in the Club Membership Directory, but this person information will be kept private, and not to be shared with any non-related entities.

Working members are required to work 16 hours per year to receive the rate. This includes but is not limited to the working on, tournaments, concessions, leagues, and range maintenance. If the required work hours are not met by year end, the ***Non-Working*** rate will be applied to the following years.
